WELCOME BACK GCOA FRIENDS!

We are thrilled to welcome you back to another exciting school year at Glen Canyon Outdoor Academy, where nature is our classroom and adventure is our curriculum! As an outdoor-based learning school, we are committed to providing your child with an immersive educational experience that fosters a deep connection with the natural world.

This year promises to be filled with new discoveries, hands-on learning, and countless opportunities to explore the great outdoors. Whether we're studying ecosystems, conducting science experiments, or writing stories inspired by the changing seasons, we believe that the best learning happens when we are fully engaged with our environment.
