### Classroom Visits by Parents/Legal Guardians

Parents/legal guardians of students who are enrolled at Glen Canyon Outdoor Academy or who wish to enroll their student in Glen Canyon Outdoor Academy may schedule a visit, tour, and/or observation of the classroom and of the school. Parents may schedule a tour by contacting the office manager or family and community liaison. The administration shall permit a visit, tour, and/or observation unless doing so threatens the health and safety of students or staff.

The school office staff may schedule the time and duration of a visit, tour, and/or observation so as to minimize disruption on instruction.

### Public Conduct on School Property

The following constitutes interference with or disruption of an educational institution under Arizona's criminal code and under this Policy:

1. Threatening to cause physical injury to any staff or student of the school or any person on the property of the school.
2. Threatening to cause damage to any school property or the property of any employee or student at the school. The threat does not need to be directed at any specific property of the school to be a violation.
3. Intentionally or knowingly refusing to leave the property after being ordered to do so by the Executive Director, School Leader, or school employee designated by the Executive Director or School Leader to maintain order.

Either interfering with or disruption of an educational institution is considered a criminal act under Arizona law.

Visitors on school property must adhere to all legal requirements and use obligations established by the school including, but not limited to, prohibitions against bringing alcohol, weapons, or drugs onto school property, or the use of tobacco or tobacco products, including e-cigarettes, on school property.
